

# **Aviation Dispatcher**

**February 9-12, 2004**  
**Miles Community College**  
**Miles City, Montana**

**Lead Instructor:** Kurt Kleiner

**Course Coordinator:** Greg Loper (406)233-2909

**Zone Training Coordinator:** Rick Lang (406)233-2882

**Nominations Due:** December 1, 2003

**Selections Posted on Web:** Jan. 1, 2004

## **Target Group**

Individuals who dispatch aircraft in a dispatch center for fire and non-fire aerial activities.

## **Trainee Prerequisites**

I-100 Introduction to ICS, I-110 Basic Fire Orientation, D-110 Dispatch Recorder

It is recommended that trainees are Initial Attack Dispatcher qualified.

## **Course Description**

This course prepares the trainee to perform the tasks required of the Aviation Dispatcher. Examples and exercises in this course are specific to dispatching aircraft in support of fire and resource aerial missions.

This course is designed to provide a practical base of knowledge to conduct this activity efficiently and safely over a broad range of conditions.

## **Course Objective**

Demonstrate proper performance of all tasks required of an Aviation Dispatcher in the development, organization, and management of aircraft operations supporting wildland fire and resource activities. This ranges from single resource missions to complex multiple aircraft operations with multiple wildland fire incidents.
